### **INVITATION TO TENDER: ELECTRICAL WIRING UPGRADE**

#### **Introduction:**

MVM Educational Campus managed by The Mogaveera Vyavasthapaka Mandali, a prestigious educational institution with a legacy of more than 100 years, invites qualified and experienced electrical contractors to submit tenders for the comprehensive electrical wiring upgrade of our school building. The project aims to modernize and enhance the safety and efficiency of the electrical infrastructure of our school building having G+3 Floors, ensuring a conducive environment for learning and operations.

#### **Scope of Work:**

The scope of work includes, but is not limited to, the following:

- Assessment of existing electrical systems.
- Replacement of outdated wiring and electrical components.
- Installation of energy-efficient lighting systems.
- Compliance with safety standards and regulations.
- Integration of modern technology for improved functionality.

The scope of work specifically covers the Installation of junction box at two terminals as per the evaluation, replacement of main cables, replacement of wires throughout passage area on every floor as per the load balancing report.

Note- Internal classrooms/rooms wiring is not a part of this tender.

#### **Brand Requirements:**

- Junction Box Brand – Siemens
- Cabling Brand – Polycab
- Tray and Pipes – Polycab or any other ISO certified known brand
- Other Electrical Equipments : ISO Certified known brand

#### **Qualification Criteria:**

Interested contractors must meet the following criteria:

- Valid electrical contractor license.
- Demonstrated experience in upgrading electrical systems for educational institutions.
- Proven track record of completing projects on time and within budget.

#### **Submission Requirements:**

- Company profile highlighting relevant experience in electrical wiring projects.
- Details of previous projects completed, especially those related to educational institutions or similar facilities.
- Proposed methodology and timeline for the project execution.
- Financial proposal outlining the cost breakdown and payment schedule.
- Valid licenses and certifications demonstrating compliance with regulatory requirements.
- Proof of insurance coverage.
- Any additional information deemed relevant to the proposal.

**Submission Timeline:**

Contractors may collect the tender application form from the Administration Department of the campus. Contractors must finish the survey of the site by 15<sup>th</sup> March 2024. The Administration department shall allot a suitable time to the contractors for the survey of the building.

Tenders must be submitted in closed envelop by or before 18<sup>th</sup> March 2024, 4pm. Late submissions will not be considered.
