Discover Our College

The Mogaveera Vyavasthapaka Mandali (MVM) was established in the year 1902. It has completed 124 glorious years of Academic, Socio-Economic and Cultural Excellence. The MVM has been awarded the Karnataka Rajyotsava Prashasti for 2012 by Karnataka State Government.

Mogaveera Vyavasthapaka Mandali started M V Mandali's Colleges of Commerce & Science in the Academic Year 2010-2011. The college is affiliated to the University of Mumbai. The College is a Kannada Linguistic Minority Institution. The college offers various programs like B.Com in Management Studies (B.M.S.), Bachelor of Commerce (B.COM.), B.Com in Accounting & Finance (B.A.F.), Bachelor of Science – Information Technology (B.Sc.IT.), B.Com in Actuarial Studies (B.A.S.) and Masters of Commerce in Accountancy (M.COM.). The education facilities are open to all communities. During a short period, the college has acquired a good reputation, campus discipline, and high academic standards. The college has excellent infrastructure with spacious Classrooms, I.T. Rooms, Library, Auditoriums, Conference Room, Playground, Canteen Facilities, etc. Along with providing quality education to their students, the college also ensures that students are offered opportunities to excel in extra-curricular fields like sports, and cultural activities and also in co-curricular fields like NSS (National Service Scheme), DLLE (Department of Life Long Learning & Extension) and WDC (Women Development Cell). In addition to a vibrant campus life with co-curricular and extra-curricular activities, the college offers career guidance, training and placement to students. These programs, academic and otherwise, nurture qualities such as leadership, discipline, organizational capability, and managing skills. The Placement Cell conducted an education fair with career guidance in emerging careers in Commerce and Science as well as a session on Actuarial studies. It has brought many corporate firms to the campus for orientation to higher education, internships and placements. The College has collaborated with TNS foundation and succeeded in training 17 students with assured placement. 04 of our students are placed in well paying internships. College conducts field projects and Industrial visits for experiential learning. In 2025-26, the industrial visit was conducted at Uttarakhand with visits to the Patanjali Research centre and ONGC museum.

The previous year has been packed with seminars and guest lectures along with intercollegiate and intra collegiate events. There is also a thrust on social responsibility in the college through NSS and DLLE units which encourage students to participate actively in social work and build sensitivities to the world outside their college which is not as privileged. Our students have been actively involved in many social awareness campaigns throughout the year.

Our Vision

From the Principal's Desk

विद्याधनं सर्वधनप्रधानम्।

“The wealth of knowledge is the supreme wealth.”

It gives me immense pleasure to welcome you to Mogaveera Vyavasthapak Mandali's Colleges of Commerce and Science. We are a linguistic Minority College affiliated to the University of Mumbai. Our College is reaccredited with a B+ grade by NAAC in the year 2025. It is an institution committed to excellence in education, character building, and holistic development. Since its inception, the Management and Staff of our college have strived to create an environment where knowledge is pursued with passion, creativity is nurtured, and every student is encouraged to discover their true potential.

At MVM's Colleges of Commerce and Science, we believe that education is not limited to the boundaries of classrooms. Our dedicated faculty, modern infrastructure, and vibrant campus culture work together to provide a learning experience that prepares students not only for successful careers but also for responsible citizenship. We emphasize values such as integrity, respect, curiosity, and perseverance—qualities essential for achieving long-term success in an ever-changing world. The Vision and Mission of our College align very well with the guidelines of NEP 2020.

As Principal, I am proud of our students who consistently demonstrate tremendous effort in academics, sports, cultural activities, and community service. We remain committed to offering them opportunities to grow, innovate, and lead. Our vision is to empower every learner to become a confident individual and a contributor to society.

I invite you to explore our website and learn more about the initiatives, programs, and achievements that make MVM's Colleges of Commerce and Science, a distinguished centre of learning. Together, let us continue to uphold our tradition of excellence and move forward with purpose and pride.

Warm regards,

Life Beyond Classrooms

National Service Scheme (N.S.S.):

The National Service Scheme aims to develop a sense of social and civic responsibility among students. NSS volunteers are required to complete 240 hours of community service over two years (120 hours each year) and participate in a seven-day special camp. On successful completion, students receive a certificate from the University and are eligible for 10 grace marks as per examination regulations.

Extra & Co-Curricular Activities

At MVM College, a variety of extra-curricular activities are organized throughout the year to encourage students to explore their interests beyond academics. These activities offer opportunities to participate in cultural events, competitions, and student-led initiatives, helping them build confidence, teamwork, and essential leadership and organizational skills for their overall growth.

Life Beyond Classrooms

Life Beyond Classrooms

Department of Lifelong Learning and Extension (D.L.L.E):

The Department of Lifelong Learning and Extension unit at MVM College provides students with opportunities to engage in community-based activities and social outreach programs. Through various extension projects, students develop a sense of social responsibility while enhancing their communication, teamwork, and organizational skills, contributing to their overall personality development.

Rotaract Club

The Rotaract Club of MVM College provides a platform for students to engage in community service, leadership, and professional development activities. Through various initiatives such as social service projects, awareness drives, and skill-building programs, students develop teamwork, communication, and leadership skills while contributing positively to society.

Life Beyond Classrooms

Women Development Cell (W.D.C):

The Women Development Cell of MVM College is dedicated to promoting gender equality and empowering female students. It organizes various activities such as awareness programs, workshops, and seminars on health, safety, and personal development. The cell aims to build confidence, provide support, and create a safe and encouraging environment for the overall growth of students.

Library Committee

The Library Committee of MVM College ensures the smooth functioning and development of library services for students and staff. It promotes reading habits, supports academic learning, and organizes activities such as book exhibitions and reading initiatives. The committee aims to provide a well-managed and resourceful environment that enhances knowledge and encourages independent learning.

Life Beyond Classrooms

Sports Committee

The Sports Committee of MVM College encourages students to actively participate in sports and physical activities. It organizes various indoor and outdoor games, tournaments, and fitness events throughout the year. The committee helps students develop teamwork, discipline, and a healthy competitive spirit, contributing to their overall physical and mental well-being.

Life Beyond Classrooms

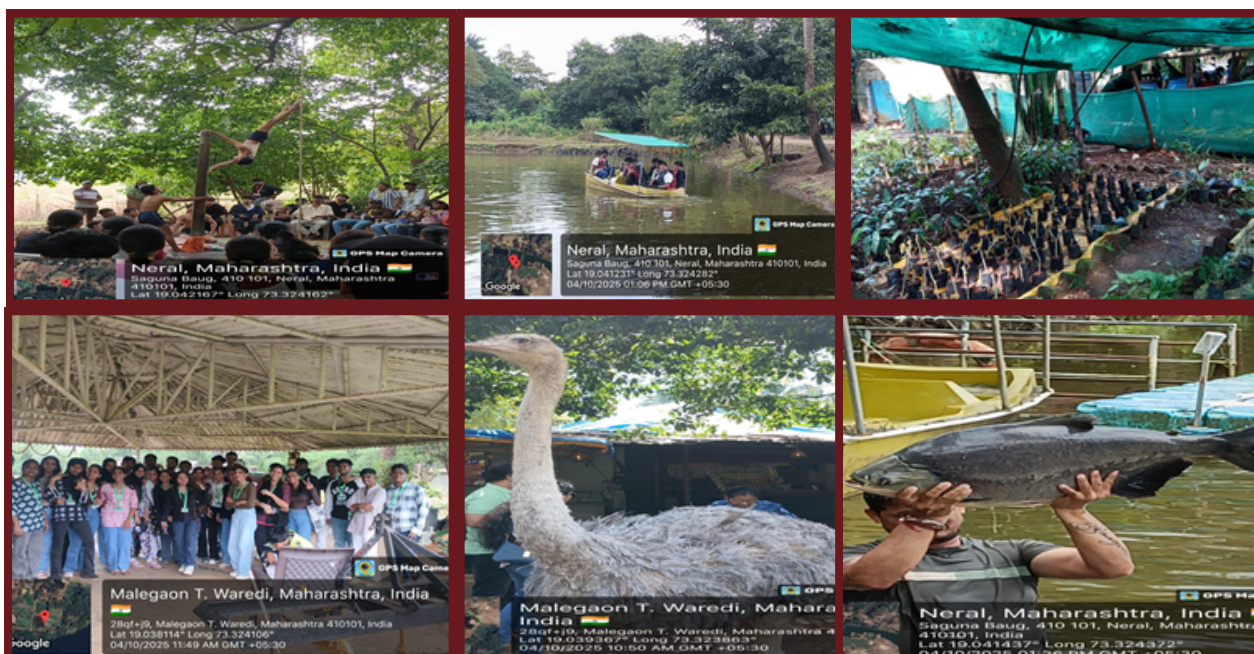

Industrial Visits:

MVM College organizes industrial visits to provide students with practical exposure to real-world working environments. These visits help students understand industry practices, processes, and professional culture beyond classroom learning. They also bridge the gap between theory and practice, enhancing students' knowledge, skills, and career awareness.

Field Visits:

MVM College organizes field visits to give students practical exposure related to their subjects. These visits help them understand concepts better by observing real-life situations and environments. Field visits also enhance learning, improve observation skills, and connect classroom knowledge with practical experience.

National Education Policy (NEP) 2020

The National Education Policy, 2020 aims to bring major improvements and new energy to the higher education system to overcome current challenges and achieve academic excellence.

The policy focuses on meeting modern educational needs. The key highlights are as follows:

- Multidisciplinary education system,
- Improvement of curriculum, teaching methods, assessment, and student support for a better learning experience,
- Strengthening the role of teachers and institutional leadership.

The National Education Policy, 2020 also provides many opportunities and suggestions in education, including:

- Encouraging multidisciplinary and holistic education with more student participation,
- Creating a better learning environment and providing support to students,
- Promoting quality research in all fields through the National Research Foundation,
- Use of technology to improve education,
- Promoting international exposure in higher education,
- Continuous development and training of teachers,
- Promotion of Indian languages, arts, and culture through the Indian Knowledge System.

Keeping in mind the objectives of the National Education Policy, 2020, M V Mandali's Colleges of Commerce & Science is committed to effectively implementing these guidelines. The college is continuously updating its curriculum based on current trends and societal needs. It aims to create a positive and engaging learning environment that supports effective teaching and learning.

The institution also focuses on providing opportunities for active learning, encouraging the use of technology in education, and supporting overall student development. The college is dedicated to shaping students into well-rounded, skilled, and responsible individuals for society.
