ABOUT THE ORGANISER

The Mogaveera Vyavasthapaka Mandali was established in 1902. It has completed 124 glorious years of Academic, Socio - Economic and Cultural Excellence. The trust has been instrumental in establishing educational institutions aimed at holistic student development, academic excellence, and societal contribution. The institution emphasizes innovation, ethical values, and skill development aligned with global educational standards.

M. V. Mandali's Colleges of Commerce & Science is affiliated to University of Mumbai, committed to providing quality education, academic excellence, and holistic development. Established in the academic year 2010–2011 with B.M.S. and B.Sc. Information Technology programmes, the college has progressively expanded its academic offerings to include B.Com., B.Com. in Accounting & Finance, B.Com. in Actuarial Studies, and M.Com. in Advanced Accountancy. The institution aims to create an environment where students develop academic competence, professional skills, confidence, and a strong sense of social responsibility. The college places strong emphasis on technology-enabled learning, industry exposure, research, innovation, and student development. Its academic ecosystem is supported ICT-enabled learning, seminars, workshops, guest lectures, industry interactions, extracurricular activities, sports, and social initiatives through platforms such as NSS and DLLE. The college also operates a Placement & Training Cell that facilitates internships and campus recruitment opportunities for students, helping bridge the gap between academic learning and professional careers.

ABOUT THE CONFERENCE

The International Conference on Global Commerce : Navigating Geopolitical Shifts and ESG Regulations aims to provide a global platform for academicians, researchers, industry experts, and students to present and discuss emerging trends in commerce, geopolitical developments, international trade, ESG regulations, sustainable business practices, and digital transformation. The conference seeks to explore how organizations can adapt to evolving geopolitical and regulatory landscapes.

CONFERENCE OBJECTIVES

- To understand the impact of geopolitical shifts on global commerce.
- To explore the role of ESG regulations in modern business.
- To promote sustainable and responsible business practices.
- To examine emerging trends and innovations in global trade.
- To encourage research and collaboration between academia and industry.
