

ANNUAL REPORT (ACADEMIC YEAR 2025–26)

It is with profound pride and pleasure that we present the Comprehensive Annual Report of MVM International School for the academic year 2025–26. This year has been an extraordinarily enriching journey filled with joyful learning, landmark achievements, institutional milestones, and the continuous growth of our pupils across all sections—from our foundational Pre-School up to Grade XII. Guided by our collective vision, the school has set a benchmark for institutional excellence under the leadership of Mrs. Mahua Chakraborty, who joined this esteemed institution as Principal on April 1st, 2025. I. VISION, MISSION & GENERAL ADMINISTRATION

The core administrative strength of MVM International School lies in instituting positive, systematic changes designed to foster the development of students and teachers alike. This academic year was marked by deep structural, behavioural, and academic interventions:

- **Discipline and Communication:** Driven by a vision to elevate communication standards, students have been continuously motivated to interact fluently in English, and firm behavioural discipline has been instilled across all grades. As part of a constructive corrective framework, students were taught to formulate formal apology letters, simultaneously teaching them accountability and initiating them into proper official letter-writing formats.
- **Pedagogical Restructuring:** To eliminate rote learning and actively nurture critical thinking, a critical change was instituted in the school's examination design. Two non-textual, application-oriented questions for each subject were introduced in every assessment. This strategy ensures that educators teach entire chapters comprehensively rather than banking on textual exercises, urging students to expand their intellectual horizons.
- **Stream Specialization:** In a major structural reform for the secondary section, the Composite Science stream for Grades IX and X was fully segregated into standalone disciplines of Physics, Chemistry, and Biology, each assigned to specialized subject matter teachers.

II. ACADEMIC LAURELS: GRADE X CBSE BOARD RESULTS

MVM International School is proud to declare a monumental milestone in its academic journey for the 2025-26 session. Our Grade X batch has translated

rigorous preparation into unparalleled success in the final Central Board of Secondary Education (CBSE) Board Examinations:

- **100% Pass Result:** Continuing our legacy of academic pre-eminence, the institution achieved a perfect **100% Success Rate** with all appeared students passing with flying colours.
- **The Elite 90% Club:** A remarkable **5 students** scaled the peak of academic distinction by securing **90% and above** in their overall cumulative aggregates.
- **Perfect Centum in English:** In an extraordinary display of linguistic mastery, **one of our exceptional girls secured a flawless 100 out of 100** in English.
- **Perfect Centum in Technical Domain (IT):** Showcasing stellar technological skills, **2 brilliant students achieved a perfect score of 100 out of 100** in Information Technology.

This historic performance reflects the immense grit of our pupils and validates the targeted administrative interventions, such as the daily 2-hour science and math remedial clinics initiated during the winter term.

III. PRE-SCHOOL SECTION: THE FOUNDATIONAL YEARS

The Pre-School wing of MVM International School successfully delivered a play-based and experiential curriculum crafted to provide a robust foundation for holistic growth. Learning was thoughtfully executed to spark curiosity, communication, and creative self-expression in a nurturing ecosystem.

1. Academic & Early Skills Highlights

Through engaging classroom activities, our youngest learners seamlessly developed early literacy and numeracy skills while enhancing their cognitive, social, emotional, and physical abilities. Individualized learning paces were strictly honoured, fostering immediate confidence and a life-long love for exploration.

2. Experiential Learning through Activities

Believing firmly that children learn best by doing, a versatile matrix of hands-on activities was organized throughout the year:

- **Nature & Exploration:** Rain Walks and Nature Trails to build acute observation skills and appreciation for the environment.
- **Expression & Language:** Interactive *Show and Tell* events, formal *Storytelling Sessions*, and dramatic *Role Play* to build vocabulary and imagination.

- **Creativity & Coordination:** *Art and Craft Activities* alongside structured *Music and Movement* sessions designed for fine and gross motor development.

IV. CHRONOLOGICAL ACADEMIC & EVENT CALENDAR (GRADES I – XII)

The general school calendar remained vibrant, mapping out a strict balance of rigorous assessments, professional governance, national celebrations, and large-scale community events:

- **APRIL:** Conducted structural Orientation Programmes for various grades. Initiated strategic faculty meetings to refine pedagogical delivery and motivate teachers. Upgraded the school's core Science Laboratories. Principal personally evaluated student performances for the *Nrityanjali Dance Competition* and established a development plan with the dance department. Addressed and resolved key grievances from dissatisfied parents.
- **JUNE:** Resumed post-summer break with a smoothly executed Special Assembly for International Yoga Day. Conducted Grade X Orientations detailing the CBSE Board examination scheme and advising on Mathematics tracking (Basic vs. Standard). Students actively participated in school-wide Drawing and Handwriting competitions. Professional Career Counselling was structured for all grades under the aegis of *Mindcology*.
- **JULY:** Celebrated *Van Mahotsav Day* with an extensive tree-planting drive involving faculty and students. Conducted a student-led Special Assembly on Guru Purnima. Held an English Essay Writing competition to evaluate and record linguistic proficiencies. Successfully executed the **First Periodic Assessment (PA-I)** for Grades I to XII. Formally inducted new student leaders into the *Rotary Club* and hosted a solemn *Investiture Ceremony* for the new Student Council.
- **AUGUST:** Celebrated Independence Day with immense patriotic fervour. Created institutional history across Mumbai and the MVM Educational Campus by hosting the prestigious **CBSE Cluster IX Volleyball Tournament**. Supported by the Managing Committee, the school successfully accommodated and managed over 1,500 athletes from across Maharashtra, Goa, Daman, and Diu for 5 consecutive days.
- **SEPTEMBER:** Hosted a massive, high-profile Teachers' Day celebration across the campus under the direct leadership of EC Chairman, Mr. Ajit Suvarna. Commenced the **Summative Assessment-I (SA-I)** examinations toward the latter half of the month.
- **OCTOBER:** Conducted designated festive Special Assemblies for Dussehra and Diwali. Executed the preliminary selection rounds for the Inter-Grade English & Hindi Elocution Competitions. Conducted global

Olympiad Examinations for all applicable grades. Organized curriculum-aligned Educational Field Trips for all classes to enhance practical learning.

- **NOVEMBER:** Celebrated Children's Day featuring an interactive setup by *ROBOBOX*, focusing on traditional pottery-making and live zoological displays. Organized *SAMARTHYA*, a prestigious Interschool Competition, which notably led to the immediate acquisition of 3 new admissions.
- **DECEMBER:** Conducted **Periodic Assessment II (PA-II)**. Organized winter festivities, including a Fancy Dress Competition and a class-wide Christmas Party. Executed the Annual Sports Day across the entire campus with full institutional synchronization. Achieved a historic milestone by securing 50 new student admissions within a brief 2-month window. Executed follow-up academic Orientations for Grade X parents and successfully deployed **Pre-Board I Examinations**. Following analysis, a critical academic emergency was flagged as 21 students failed in Mathematics and 17 in Science. To remediate this, the Principal personally initiated and conducted intensive Science remedial classes for 2 hours daily, 5 days a week.
- **JANUARY:** Evaluated the impact of intensive remediation through the **Pre-Board II Examinations**, achieving a definitive **100% pass rate in Science**, laying the precise groundwork for the flawless 100% result achieved in the eventual CBSE Boards. Administered the standardized *NELTAS* examinations. Celebrated Republic Day and hosted a highly successful Parents' Day celebration.
- **FEBRUARY:** Conducted the final Annual Examinations for Grade IX. Organized themed Special Assemblies celebrating *Marathi Divas* and *Shivaji Jayanti* with cultural zeal. Held the annual School Exhibition, presenting student innovations to parents and visitors.
- **MARCH:** Conducted the concluding **Summative Examination II (SA-II)** across all grades. Hosted the formal Prize Distribution Ceremony, awarding certificates alongside customized school-emblem coffee mugs, books, and stationeries. Hosted a nostalgic Farewell Celebration for the outgoing Grade X batch. Concluded the academic session by organizing an educational excursion to the *IMAGICA* theme park for Grades VIII, IX, and X.

V. CO-CURRICULAR TRIUMPHS & COMPETITIONS

MVM International School believes that talent must be meticulously nurtured. Our students demonstrated competitive brilliance throughout the year across all sections:

- **Interschool Competitions:** Students actively participated in highly competitive interschool festivals such as *AIKYAM*, *UDAAN*, and *SAMARTHYA*. The Principal personally spearheaded rigorous practice

sessions for multi-event participants, culminating in students winning multiple trophies and certificates.

- **Foundational & Olympiad Achievements:** Pre-School and Senior students showcased their talents across intra- and inter-school landscape settings, including national Olympiad Examinations and the *NELTAS* assessment framework, laying robust foundations for national-level academic competitions.

VI. HEALTH, SAFETY, INSTITUTIONAL WELLNESS & PARTNERSHIP

To maintain an elite operating standard, equal emphasis was placed on systemic support structures that safeguard and enrich our school community:

- **Health & Safety Protocols:** The physical well-being of our students remained paramount. The institution conducted regular health and professional eye check-ups. Stringent parameters of sanitation, strict hygiene management, and campus security were maintained daily.
- **Parent Partnership:** Recognizing that a child's academic journey requires synchronization, the school leveraged multiple touchpoints including formal Parent-Teacher Meetings (PTMs), Open Houses, dedicated counselling assemblies, and continuous direct reporting to maintain absolute transparency and parent alignment.
- **Professional Teacher Development:** Faculty enrichment was heavily prioritized. Teachers across all wings participated in various training programmes and specialized workshops focusing on early childhood education, innovative teaching methodologies, classroom management strategies, child psychology, and inclusive learning practices.

VII. CONCLUSION & ACKNOWLEDGMENTS

The exceptional academic and structural records achieved during the 2025–26 session stand as a testament to the synergistic efforts within the MVM community. We extend our deepest gratitude to the Esteemed Members of the Managing Committee and the Trust for their visionary governance and steadfast support. We express our profound thanks to our dedicated educators, support staff, and our ever-cooperative parent community. Most importantly, we commend our students whose curiosity, discipline, and energy remain the true driving force of MVM International School. As we look forward to the upcoming academic year, we renew our commitment to fostering an inspiring environment where every child is empowered to learn, grow, and flourish.
